

MARDEN PATIENT PARTICIPATION GROUP (PPG)

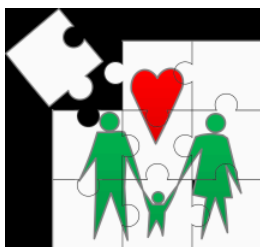

The Marden PPG is a collection of patients who care about the way our surgery works and the service it provides. Our purpose is to create a dialogue between patients, doctors and staff to help the practice work as well as it possibly can for both patients and professionals.

The Practice is keen to encourage more patients to join the PPG. There is no cost involved and no call upon your time.

By joining, you will receive copies of the PPG newsletter, be notified about meetings, receive information concerning the Practice and about surveys and consultations.
